Wherever you live
Wherever I live

I ran for a long time
And again I ran for a long time
Yeah I 'll be ridin' and I 'll be dyin'
In ma city

I don't know what to say. Even if I die, I can't say it
Even if you give me a hundred thousand dollars to live somewhere else
Ah no thanks
Ilsan is the place I want to be buried after I die
It's the city of the flower, city of Mon
La Festa and the Western Dome that were like home
The Hugok academy village that raised me in my youth, uh
The most harmonious place in the world, uh

The nature and the city, the buildings and the flowers, uh
Me, who likes the Ilsan Lake Park more than the Han River
Even if you're small, you hold me so cozily
When it seems like I'm going to forget myself
In that place, I find my old self
Remember your smell and everything else
You're my summer autumn winter every spring

Hey, Busan's sea
Say la la la la la
Under the blue sky, this sky line
Say la la la la la
Uncles, put your hands up
Aunties, wave your hands around
Come to my city

Come to ma city
I hope that you'll watch over me well
Know how to party
The city that raised me
That's right, babe babe
This is my city city
Welcome to ma city

I ran for a long time
And again I ran for a long time
Yeah I'll be ridin' and I'll be dyin'
In ma city, city
Ma city, ma city yeah

I'm a South Jeolla Gwangju baby
Even if my footsteps go to the mountains
It always goes to the summit of Mt. Mudeung, everyday
My life is hot, the heat of the south
There's no such thing as giving up on the law of this fierce heat
I put a KIA in gear and turn it on, bounce like crazy
With only dance, I had this dream of being a singer
Now in reality, I do music and I jump on stage
Everyone saw, right? I put in passion
I'm Gwangju's hoshigi, the country's 8 provinces gear up
If you want to see me, then gather at 7
Everyone dial it, 062 - 518

Hey, Busan's sea
Say la la la la la

Welcome to ma city

I was born in Daegu, I was raised in Daegu
Getting a blood transfusion is hard
My blood runs blue
This bastard doesn't get tired

Of talking about Daegu on every album
You could think that but
I'm a D-boy yeah I'm a D-boy
Honestly speaking
There's really nothing to brag about in Daegu
My birth itself is Daegu's pride, right?
Yeah, that's right
Even if there's nothing to brag about
I can't help but be proud of it, right?
Ayo, I'm the most sucessful guy ever born in Daegu
You'll hear this kind of thing, now listen well
I'm the pride of Daegu, a new generation, a new wind
Daegu's past, present and future

Come to ma city
I hope that you'll watch over me well
Know how to party
The city that raised me
That's right, babe babe
This is my city city
Welcome to ma city
