

Make It Right

BTS

I was lost, I was tryna find the answer
In the world around me
Yeah I was going crazy
All day, all night
You're the only one who understood me
And all that I was going through
Yeah I just gotta tell you
Oh baby I

I could make it better
I could hold you tighter
Cause through the morning
Oh you're the light
And I almost lost ya
But I can't forget ya
Cause you were the reason that I survived

You were there for me through all the times I cried
I was there for you but then I lost my mind
I know that I messed up but I promise I
Oh oh, I can make it right

All right
All right
Oh oh, I can make it right

All right
All right
Oh oh, I can make it right
