Others: Okay, let's listen, listen
Suga: You guys judge!
Others: Okay, okay
Jimin: We'll see how well you've recorded it
Suga: Play? Hey, do I play it? Do I play it?

Jimin: It's alright!
V: Really?
Suga: Hey, how is it? How is it?
Others: It's not bad
V: I like it
Jin: It's great

Suga: Hey, it's been a while, how about a cypher?
Jimin: Cypher?
Everyone: Cypher!~
Suga: Let's go big with a cypher, shall we?
Jimin: Ahh~ I'm nervous!

Suga: Let's do it, yes?

Rap Monster: Hyung you go first, hyung first, hyung first

Suga: Yo, hey, alright then, we'll start with me

V: Go Suga, go...

Suga: Suga! Okay, I'll start, yo, uh

Others: (Go Suga! Go Suga! Go Suga!)

Suga, uh, yo, uh

My name is S-U-G-A

Other rappers are all behind me

Same as always, I tease my tongue

This way and that over this beat

All your rap makes me sleepy

Shall we rewind the CD?

Our music makes the women cry

Our name is Bangtan

What's coming out of your mouth right now... Exclamation?

Others: (Exclamation?!)

J-Hope: Hey, don't fool around

Suga: Who's next? Next, Next

Rap Monster: Oh, this music is good

J-Hope: (Rap Monster?)

Suga: Who? Rapmon?

Rap Monster: Now, get this

Others: Yo Rapmon! Yo Rapmon!

I'm a cool boy

I'm a nice boy

But my voice is low

You're one shot, I'm four shots

I'm the Igatan that heals you

You can do rap, I do it well

You are ribbon pig

I do it with my feet

Comme Des, Rolex, Dior, Hermes

All words that suit me

But for you, it's 'tacky or trashy'

No, 'Pompeii'

You just erupted, cover up those mountains

Wait, guys, I need to pee

Others: Oh~ho~!

J-Hope: Nwappwappwappwa wow

Rap Monster: Seriously, I need to go

BTS: Go Jungkook! Go Jungkook! (Rap Monster: Jeon Jungkook!)

BTS: Go Jungkook! (Rap Monster: Jeon Jungkook!)

Today again, got ya

My time freestyle rapping

If you measure up, it's brand name setting

Suited to an MC, all that MCM

Gucci, Alexander McQueen

This isn't my first time rapping

It's different now, I'm walking along the beat

I cover them all during the summer, then I catch them all

Jungkook, look at me, look at me, look at me

BTS: Wahhhh~!!

Suga: Who's next? Who's next? Next

V: Ah, should I do it?

BTS: Go Taehyung! Go Taehyung! Go Taehyung!

Then I'll go, cypher
Alright, so I heard the hyungs rap well
Namjoon hyung's lyrics, he's all mature now
Their rap skills are nearly back to back
It's compliment, now quit it
Hobi hyung is in front of me, he's getting tense now
What's making you nervous? Go make us some kimchi
Daegu dialect, it's alive!
Yoongi hyung, you alive, son

BTS: Aaah~!!

Rap Monster: He's alive!

J-Hope: Now J-Hope has to come forth, J-Hope, okay?

BTS: Hobi on his way! Hobi on his way!

(Hope-Hope-Hope-Hope)

J-Hope: (Uh uh yo uh yo)

This is a skit in our music
I'll show you my blade-like skill
My, my, my, my, my name is J-Hope
I'm so cool, I don't even leave a trace
Like that pose
God Damn, I'm the hip hop that Gwangju gave birth to
This is the start to Jeolla-do's rap
I'll shake you up until you go bust
Because we're really smashing

BTS: (Oh~Ohh~!)

Rap Monster: Ok, now Jin hyung?

BTS: Go march! Go march! Go march!

Suga: (Oh, Jin hyung is also gonna do it?)

Rap Monster: Ya ah, it's getting bigger

Jin: Yeah

My name is Jin (Jin!)

I'm the most handsome

My nickname, Jindda

But keep shaking your books, you'll fall out, yeah

(Rap Monster: Yeah, and then what?)

Yeah, so my nickname is Jin (Jin!)

So my stage name is Jin (Jin~!)

Rap Monster: Hey, who, who, who's left?

BTS: Yo uh, Jimin?

Jimin: Shall I show you? Shall I show the strength of the vocal team?

BTS: Go Jimin! Go Jimin! Go Jimin!

Yo, yo, my name is Jimin

My rap makes the vocal team wet their pants

Taehyung, please get up, you smell a little fishy

Look me up in advance

BTS: Ah..... What was that... Leave, leave, leave, leave

Rap Monster: Ah, what was that, go then

BTS: (Go, go, go, go...)

Jimin: Sorry

V: I knew you were gonna diss me

Jimin: I won't do it again

Suga: I don't think you should rap... Go...

BTS: (Migrate, migrate, migrate, migrate) (Go migrate)

Jimin: Sorry!

V: (Sorry hahahaha)

BTS: Leave!

Suga: Hey, now that our cypher's over, how about we go out and eat?

V: (To Incheon?)

Rap Monster: I don't wanna eat

Jimin: (What, ah, I'm so hungry I could die)

Jungkook: Hey, Suga, let's go eat lobster soondae

Suga: Let's go! I'll treat you all!

Rap Monster: I get sick, I'm not gonna eat any

Jimin: Hey, let's go

Jungkook: Only Nanakon from earlier

J-Hope: See ya tomorrow, Namjoon

Suga: Hey, I'm leaving, Namjoon

Rap Monster: Seriously, this is too much

Jimin: Hyung, we're leaving

Rap Monster: Go! Go go! Go!

Jin: Stay put~
