Insecure again, dangerous again
So bad (why?) us, yeah
Enduring more, holding out
So hard (hard), we can't

Even if you already knew
We couldn't stop
No way, no way, no way, falling

As time passes by

We only mess it up even more
No way, no way, it's collapsing again

A house made of cards, and us inside
Even if you say you see the end, even if you say it'll collapse soon
A house made of cards, and stupidly, us
Even if you say it's a useless dream, just stay a little more like this

Like there's no tomorrow
Like there's no next time
Everything that you've done in front of my eyes
It's a complete darkness
Say it like you mean it
In the end, we can't make it
Even so, I keep hoping
Even at the end, if you're with me, I'm okay

Even if you already knew
We couldn't stop
No way, no way, no way, falling

As time passes by
We only mess it up even more
No way, no way, it's collapsing again

A house made of cards, and us inside
Even if you say you see the end, even if you say it'll collapse soon
A house made of cards, and stupidly, us
Even if you say it's a useless dream, just stay a little more like this

Slow down the time
Please stay just for a little more oh
Please baby. Calm down
Just a little more

More insecure, more dangerous
So bad (so bad) us, yeah
Enduring more, holding out
So hard, it's collapsing again

A house made of cards, and us inside
Even if you say you see the end, even if you say it'll collapse soon
A house made of cards, and stupidly, us
Even if you say it's a useless dream, just stay a little more like this
