Same day, same moon
24/7 every moment repeats
My life is in between
Jobless twenty-somethings are afraid of tomorrow
It's funny, you think anything
Is possible when you're a kid
When you feel how hard it is to get through a day
Keep feeling like the
"Control" beat, keep downloading it
Every single day is a repetition of Ctrl+C, Ctrl+V

I have a long way to go but
Why am I running in place?
I scream out of frustration
But the empty air echoes
I hope tomorrow will
Be different from today
I'm just wishing

Follow your dream like breaker
Even if it breaks down, oh better
Follow your dream like breaker
Even if it breaks down
Don't ever run backwards, never

Because the dawn right before
The sun rises is the darkest
Even in the far future

Never forget the you of right now
Wherever you are right now
You're just taking a break
Don't give up, you know

Don't get too far away, tomorrow
Don't get far away, tomorrow
Don't get too far away, tomorrow

The tomorrow we've been waiting
For becomes the name of yesterday at some point
Tomorrow becomes today, today becomes yesterday
Tomorrow becomes yesterday and is behind me
Life isn't about living along but living through
As you live through, you'll disappear some day
If you keep spacing out, you'll be swept away
If you ain't no got the guts, trust
It'll all become yesterday
Anyway so what's the use?
I wanted to become happy and strong
But why am I getting weaker?
Where am I going? I'm going here and
There but I always come back here
Yeah, I'll probably flow somewhere
Is there an end to this maze?

I have a long way to go but
Why am I running in place?
I scream out of frustration
But the empty air echoes
I hope tomorrow will
Be different from today
I'm just wishing

Follow your dream like breaker
Even if it breaks down, oh better
Follow your dream like breaker
Even if it breaks down
Don't ever run backwards, never

Because the dawn right before
The sun rises is the darkest
Even in the far future
Never forget the you of right now
Wherever you are right now
You're just taking a break
Don't give up, you know

Don't get too far away, tomorrow

Tomorrow, keep walking,
We're too young to stop
Tomorrow, open the door
We see too much to shut the door
When the dark night passes,
A bright morning will come
When tomorrow comes
The bright light will shine so don't worry
This isn't a stop but just
A pause in your life for a break
Turn up your thumbs and press play
So everyone can see

Follow your dream like breaker
Even if it breaks down, oh better
Follow your dream like breaker
Even if it breaks down
Don't ever run backwards, never

Because the dawn right before
The sun rises is the darkest
Even in the far future
Never forget the you of right now
Wherever you are right now
You're just taking a break
Don't give up, you know

Don't get too far away, tomorrow
Don't get far away, tomorrow
Don't get too far away, tomorrow
