

Disco San Francisco

Bubbles

Let's go, we're going to a disco
Pack your bags all your clothes don't forget your dancing shoes
Leave your worries behind now
Kiss the dog, all your friends, family and grandparents
We're leaving today
Arrivederci, salut and goodbye
You and I will have the greatest time
Because

We're going to a disco in San Francisco
Oh yeah we're gonna have a party
If we take an aeroplane bus or train
Its all the same Yeah
Disco San Francisco
We're going to Bahamas
Bring your pyjamas oh yeah
We're gonna have a party
If we take an aeroplane bus or train
Its all the same Yeah
We're gonna have a party, Yeah!
Hurry up, don't be late, there's no time to hesitate
Put a smile on your face girl
In the sun, lots of fun, we're going to the West Coast
We're coming your way
Hasta la vista, hey d, au revior
You and I will have the greatest time
Because...
