In every dream home a heartache And every step I take Takes me further from heaven Is there a heaven? I'd like to think so Standards of living TheyÂ're rising daily But home oh sweet home ItÂ's only a saying From bell push to faucet In smart town apartment The cottage is pretty The main house a palace Penthouse perfection But what goes on What to do there Better pray there Open plan living Bungalow ranch style All of it's comforts Seem so essential I bought you mail order My plain wrapper baby Your skin is like vinyl The perfect companion You float my new pool De luxe and delightful Inflatable doll My role is to serve you Disposable darling Canâ't throw you away now Immortal and life size My breath is inside you IÂ'll dress you up daily And keep you till death sighs Inflatable doll Lover ungrateful I blew up your body But you blew my mind
