

Ninety miles an hour through an electric storm  
Just another town or two until New Mexico  
"Can you feel it? I can feel it, too"

Why does my Coca-Cola taste like gasoline?  
I see you fightin' back a grin  
You think you're foolin' me

I can't believe it  
I can't believe you'd do that to me, Ruby

"I bet you ten dollars I can guess your name  
Suzy Burlingame?  
Or Judy Gables? Or is it Maybelle?  
I'm sure it's Eleanor  
Maybe Sable? I've never met a Sable  
I'm sure it's Eleanor"

Why's the porch light on? I thought you'd flipped the breaker  
And who's that moving around inside?  
Oh Ruby, I'm too young to die

Would you go in with me?  
I want you by my side

"I bet you ten dollars I can guess your name  
Suzy Burlingame?  
Judy Gables? Or is it Maybelle?  
Nah, I'm sure it's Eleanor"
