

I'm Not Dead

Buck-O-Nine

Make me wanna pop
Make me wanna go
If anybody's listening

It makes me wanna know
Why I don't know a thing about you?
You gotta listen to the room

I'm alive, I'm alive, I'm alive
And I'm outta my head
I'm right, I'm right, I'm right
Can't you see it?

I'll try, I'll try, I'll try
To get it right
Down for life and living?
Can't you see the light?

Burning in my brain
And tickin' in my head
If anybody's listening

I've made my fingers bled
I've seen you look around me
I've seen you look right through

I'm alive, I'm alive, I'm alive
And I'm outta my head
I'm right, I'm right, I'm right
Can't you see it?

I'll try, I'll try, I'll try
To get it right
Down for life and living?
Can't you see the light?

Get me in the light
Get me in your head
Give me a sign
That I'm not dead

Get me in the light
Get me in your head
Give me a sign
That I'm not dead
