

All The Way With Jesus

Buck Owens

I'd give up wordly ambition I'd give up my wordly ways
And I took my trust in Jesus I know he'll take me all the way
I'll go all the way with Jesus all the way to heaven's door
I'll go all the way with Jesus and stand on heaven's golden floor

Oh I know my Saviour love me for he forgave my every sin
And when old Gabriel's trumpet sounded at heaven's gate he'll let me in
I'll go all the way with Jesus...
