

I've Got You On My Mind Again

Buck Owens

I've got you on my mind again you've been there since I don't know when

I said that I'd forget that I'd never look back

That I'd find somebody else so little further down the track

But that same old hurt is back once more it's here since you walked out the door

And as the long day ends and the lonely night begins I've got you on my mind again

Well I said that you'd be out of mind when you've got out of sight

That there'd never be one lonely moment or one sleepless night

But lately I've been finding out just what a heartache means

For every time I close my eyes I see you in my dreams

And I've got you on my mind again...

I've got you on my mind again
