

Love Makes The World Go Around

Buck Owens

Love makes the world go around love makes the wolrd go around
Sometimes up (and sometimes down) but love makes the world go a
round

When it comes right down to it you just gotta go do it
'Cause love is a thing that just won't wait

Sometimes it can spite ye or just right up and bite ye
And sometimes go up right in your face
Love makes the world...

(The first time that you feel it your first thought is to steal
it
And run under a rock somewhere and hide
But once that you've been smitten you can't keep it hidden

Or it just might teach you a polite)
Love makes the world...
Sometimes up and sometimes down but love makes the world go aro
und
