**Buck Owens**

Merry Christmas from our house to your house merry Christmas from  
our kids to yours  
May happiness be round your Christmas tree may your disappointments  
be few  
Merry Christmas from our house to your house may peace and good  
will follow you  
And may you be blessed with health and happiness  
Merry Christmas from our house to yours  
May all of your loved ones be near you and may all of your spirits  
be bright  
May all of your dreams be what this Christmas brings  
Merry Christmas from our house to yours

May all of your loved ones  
Merry Christmas from our house to yours
