

Rock Hard Love

Buck Owens

Rock hard love what you gave me rock hard love sweet and tough
Lifted me when I was sinking with your sweet rock hard love

Lost and lonely on life's highway drifting farther out to sea
Like a lighthouse on the seashore your sweet love shines out to
me
Rock hard love...

When the storms of life are blowing and no sunshine can be seen
When there's nothing left but darkness your rock hard love lays
next to me
Oh you told me that you loved me and you proved it every way
Stood beside me then to guide me rock hard love everyday
Rock hard love...
Lifted me when I was sinking with your sweet rock hard love
