

Texas Tornado

Buck Owens

She's a Texas tornado from Laredo
She's a hurricane from Miami Beach
She's a long-legged twister from Oklahoma City
Everybody calls her Georgia Peach

She blew in like a Texas tornado
And she touched down all over the place
Well, I did my best to grab her
But she finally blew up in my face

She's a Texas tornado from Laredo
She's a hurricane from Miami Beach
She's a long-legged twister from Oklahoma City
Everybody calls her Georgia Peach

She was soft as the first rose of summer
And as cruel as the sand in San Fransisco fall
Sweet as a heart full of honey
And as mean as an old junkyard dog

She's a Texas tornado from Laredo
She's a hurricane from Miami Beach
She's a long-legged twister from Oklahoma City
Everybody calls her Georgia Peach

She's a Texas tornado straight from Laredo
And everybody calls her Georgia Peach
