

That Sunday Feeling

Buck Owens

When I go to church on Sunday I'm so satisfied
Lost in love and sweet contentment soon is high in sight
The fragrance of this holy place to him so sweet and dear
I can feel God's spirit workin' everywhere.

I get that Sunday feeling all week long
And you'll find that nothing can go wrong
If you will pray a lot sing a lot read his word each day
You'll get that Sunday feeling everyday.

Sometimes ol' Satan makes my life so miserable
My burdens grow so heavy and unbearable
Then I bow my head in prayer and sing a hymn or two
And get that Sunday feeling Wednesday too.

I get that Sunday feeling all week long
And you'll find that nothing can go wrong
If you will pray a lot sing a lot read his word each day
You'll get that Sunday feeling everyday.

You'll get that Sunday feeling everyday...
