

Touch Me

Buck Owens

Touch me touch the hand of a man who once owned all the world
Touch me touch the arms that once held all the charms of the world's sweetest girl
Touch me maybe someday you may need to know how it feels when you lose
Touch me you'll know how you feel with the blues

Watch me watch the eyes that have seen all the heartache and pain in the land
And be thankful you're happy though standing so close to the world's bluest man
Don't forget me take a good look at someone who's lost everything he can lose
Touch me you'll know how you feel with the blues

Watch me watch the eyes...
