

# Why Don't My Mommy Stay With Daddy And Me

**Buck Owens**

Why don't my mommy stay with my daddy and me  
Why does my daddy cry when I ask where can you be  
Why don't you come home then we won't be alone  
Why don't my mommy stay with my daddy and me

Each night he's so lonesome cause he don't understand  
That you'd rather be dancing to a honky tonk band  
I don't know what to tell him when he climbs upon my knee  
And ask why don't my mommy stay with my daddy and me

Why don't my mommy stay with my daddy and me  
Why does my daddy cry when I ask where can you be  
Why don't you come home then we won't be alone  
Why don't my mommy stay with my daddy and me
