Buckcherry

Okay, what is it tonight?
Please just tell me what the hell is wrong
Do you wanna eat?
Do you wanna sleep?
Do you wanna drown?
Just settle down, settle down, settle down!

[Chorus:]
I'll give you candy, give you diamonds, give you pills
give you anything you want--
hundred-dollar bills
I'll even let you watch the shows you wanna see
just marry me marry me marry me!

I'm so sick of you tonight
You never stay awake when I get home
Is something wrong with me?
something wrong with you?
I really wish I knew wish I knew wish I knew!

[Chorus]

When I was young, I learned a game
When love and happiness were the same
Now I'm older and I don't play--
I found out the hardest way.
I got wasted she got mad
Called me names and she called her dad
He got crazy and I did too
Wonderin what I did to you.

Chorus
I'll give you anything anything anything
I'll give you anything anything anything
I'll give you anything anything anything
anything
anything
anything
