Head Like A Hole

Buckcherry

God money, I'll do anything for you
God money, just tell me what you want me to
God money, nail me up against the wall
God money, don't want everything, he wants it all

No, you can't take it
No, you can't take it
No, you can't take that away from me
No, you can't take it
No, you can't take it
No, you can't take that away from me

Head like a hole, black as your soul
I'd rather die than give you control
Head like a hole, black as your soul
I'd rather die than give you control

Bow down before the one you serve
You're going to get what you deserve
Bow down before the one you serve
You're going to get what you deserve

God money's not looking for the cure
God money's not concerned about the sick among the pure
God money, let's go dancing on the backs of the bruised
God money's not one to choose

No, you can't take it
No, you can't take it
No, you can't take that away from me
No, you can't take it
No, you can't take it
No, you can't take that away from me

Head like a hole, black as your soul
I'd rather die than give you control
Head like a hole, black as your soul
I'd rather die than give you control

Bow down before the one you serve
You're going to get what you deserve
Bow down before the one you serve
You're going to get what you deserve

Head like a hole, black as your soul
I'd rather die than give you control
Head like a hole, black as your soul
I'd rather die than give you control

Bow down before the one you serve
You're going to get what you deserve
Bow down before the one you serve
You're going to get what you deserve (Head like a hole)

Bow down before the one you serve (Black as your soul)
You're going to get what you deserve (I'd rather die)
Bow down before the one you serve (Than give you control)

You're going to get what you deserve (Head like a hole)
