

# Love In A World Gone Mad

Bucks Fizz

Both sides of your window  
Something crazy's going on  
Troubles in and outside  
It's hard to tell where you belong

Time and time again  
Out searching for that silver lining friend  
You keep holding on, holding on

Love in a world gone mad  
The best thing we'll ever have  
Love in a world gone mad  
And it's so precious that I promise anytime...

You want to spread your wings and fly  
Just say the word  
If what we've found is love  
When you fly back I won't be hurt

Time and time again  
The fire's gonna die and then burn bright  
If we keep holding on, yeah holding on

Love in a world gone mad  
The best thing we'll ever have  
Love in a world gone mad  
And it's so precious what's between us two is  
Love in a world gone mad  
The best thing we'll ever have  
Love in a world gone mad  
And it's so precious that I promise any...

Holding on... holding on

Love in a world gone mad  
The best thing we'll ever have  
Love in a world gone mad  
And it's so precious what's between us two is  
Love in a world gone mad  
The best thing we'll ever have  
Love in a world gone mad  
Aah  
Love in a world gone mad  
The best thing we'll ever have  
Love in a world gone mad  
Aah  
Love in a world gone mad  
The best thing we'll ever have  
Love in a world gone mad  
And it's so precious what's between us two is  
Love in a world gone mad
