

Love The One You're With

Bucks Fizz

If you're down and confused
And you don't remember
Who you're talking to
Concentration just slips away
Cos your baby is so far away

And there's a rose in a fisted grove
Where the eagle flies with the dove
And if you can't be with
The one you love Honey
Love the one you're with
Love the one you're with
Love the one you're with
Love the one you're with

Don't be angry
Don't be sad
Don't sit crying over good times you had
There's a girl right next to you
And she's just waiting for something to do

And there's a rose in a fisted grove
Where the eagle flies with the dove
And if you can't be with
The one you love Honey
Love the one you're with
Love the one you're with
Love the one you're with
Love the one you're with

Ow ow ow
Love the one you're with
Love the one you're with
Turn your heartache right into joy
Cos she's a girl and you're a boy
Let's get it together and make it nice
Ain't gonna need no more advice

And there's a rose in a fisted grove
Where the eagle flies with the dove
And if you can't be with
The one you love Honey
Love the one you're with
Love the one you're with
Love the one you're with
Love the one you're with

Ow ow ow
Love the one you're with
Love the one you're with
Love the one you're with
Ow ow ow
Love the one you're with
Love the one you're with
