

# Making Your Mind Up

Bucks Fizz

- G  
1. You gotta speed it up and  
  
then you gotta slow it down  
C  
'Cause if you believe that a love can hit the top  
G  
You gotta play around  
D  
And soon you will find that there comes a time  
G  
For making your mind up.
2. You gotta turn it off  
And then you gotta pull it out  
You gotta be sure that it's something  
Everybody's gonna talk about  
Before you decide  
That the time's all right  
For making your mind up.  
C G  
R: Don't let your indecision  
C G  
Take you from behind.  
C G  
Trust your inner vision  
A  
Don't let others change your mind.
3. And now you really gotta burn it up  
And make another flight by night  
And run for your money and take a chance  
And it'll turn out right  
And when you can see how it's gonna be  
You're making your mind up.
4. And try to look as if you don't care less  
But if you want to see some more  
Bending the rules of the game  
Will let you find the one you're looking for  
And then you can show that you think you know  
You're making your mind up.
- R: Don't let your indecision  
Take you from behind.  
Trust your inner vision  
Don't let others change your mind.
