

Wolverines

Buddy Brown

I still bury the money
Cause I don't like banks
I don't trust politicians
But I'd take orders from Hank
I keep a 9mm under my truck seat
I'll stand back and stand but I ain't gonna leave

Now we're full of hyenas
Running through this land
Steal and kill and destroy
Has always been their plan
So keep that ear to the ground
If you wanna stay free
Stand back and standby all my Wolverines

And the Country I'm from is the Red, White and Blue
We don't follow the sheep but we stand for the truth
If you mess with the Eagle you'll get punched in the mouth
Cause we're 71 Million boots on the ground
Don't wake up the Bear man he's big and he's mean
Stand fast and standby, my Wolverines!

The founding Fathers are cringing
Walking outta their graves
They're still holding their musket
I salute them and say
Our children won't have a chance
Once evil comes on the scene
Stand fast and standby all my Wolverines

And the Country I'm from is the Red, White and Blue
We don't follow the sheep but we stand for the truth
If you mess with the Eagle you'll get punched in the mouth
Cause we're 71 Million boots on the ground
Don't wake up the Bear man he's big and he's mean
Stand fast and standby, my Wolverines!

When tyranny becomes law
Rebellion becomes duty

When tyranny becomes law
Rebellion becomes duty

When tyranny becomes law
Rebellion becomes duty

When tyranny becomes law
Rebellion becomes duty
My Wolverines

Rebellion becomes duty
My Wolverines

Rebellion becomes duty
For my Wolverines
