(Guitar intro)

Well I work, and I work
What have I got to show ?
The only thing you give me Baby just a,
A Hard way to go.
I said now :

{Chorus :}
But I'm gonna my hands
And I'm gonna holler "what's the use ?"
Well I oughta, but I ain't a
Look at, You know, I'm gonna cut You loose.

I fought, I fought, I fought, I fought
Up to my Neck
And the only Time you'r good to me Baby,
When I cash my check.

{Chorus :}
I'm gonna, I'm gonna my hands
I'm gonna holler what's the use ?
I oughta, but I ain't a,
Look at, You know, I'm gonna cut You loose.

(Guitar Solo)

Before I cut You loose
I wouldn't take this curse
I find an another love Woman, she just,
Just be bad or worse, I say...

{Chorus}
Gonna throw my hands
I'm gonna holler "what's the use ?"
Oh I oughta, but I ain't a,
Oh Girl, You know I'm sure, just gonna Cut You Loose.

(Guitar Solo)

I'm gonna cut You loose Time,
Baby You know, You know, I'm gonna cut You loose
Oh You know, You know, You know, You know,
You know, You know, You know, You know,
You know Girl,
Ah, ah, ah, ah, ah, ah...
I just gonna, just gonna cut You loose.

Oh Baby I gonna find an another love Woman
I gonna find, I gonna find, I gonna find,
I gonna find...
Be somebody else.
