

Guilty As Charged

Buddy Guy

Hard to be goin'
On my merry way
It's my own damn fault
Kept it fool enough to stay

Guilty as charged
You got me in your sight
You pull is not as strong
But the devil
He's out tonight

Been years since I've seen you
You still lookin' fine
Walked out your car and
Makin' up for lost time

Guilty
Guilty as charged
You got me in your sight
You pull is not as strong
But the devil
Is out tonight

If I had a lick o' sense
I'd get out while I can
Tell me what you want
And I'll put it in your hand

Honey, guilty
Guilty as charged
You got me in your sight
The devil is out tonight
Guilty
Guilty as I can feel
The devil was me
Come see about me, now
(Shit)
(Yeah)
(What the hell wrong with me)
(Devil is out tonight)
