

## Hooker Thing

Buddy Guy

You ready for me now?  
(Yeah)

Well, my mama don't allow me  
Just to stay out all night long  
Yeah, said my mama don't allow me  
Just to stay out all night long  
I didn't care mama didn't allow  
I had to boogie-woogie on my own

One night I was laying down  
Heard my mama n' papa talkin'  
Heard papa tell mama  
"Let that boy boogie-woogie  
'Cause it in him  
And it's got to come out"

Boogie too long  
That's that old John Lee Hooker shit man  
Yeah, yeah  
(That's good)  
That's one of the first things I ever learned how to play man,  
yeah
