

# I Got My Eyes On You

**Buddy Guy**

Got my nose open baby  
You got my nose open baby  
Ahhh Huhuhu  
You got my nose open woman  
But, I got my eyes on you

You got me weepin' and moanin'  
Got me weepin' and moanin'  
He, you got me weepin' and moanin'  
Oh yes

You got me weepin' and moanin' woman  
But I got my eyes on you

Look-a-here

Got my nose open baby  
You got my nose open woman  
Uh ohohooo yeah  
Got my nose open baby  
But, I got my eyes on you
