

It Keeps Me Young

Buddy Guy

Chicago blues
I like it loud
I turn it up
I never turn it down

It keeps me young
I'm having fun
Makes me feel like I did
When I was twenty-one

I give my woman
All my respect
What she wants
Is what she gets

It keeps me young
And I'm having fun
Makes me feel like I did
When I was twenty-one

In my blood there's lots of pump
In my step there's lots of jump
I keep on rollin' like I've always done
Keep on rockin' like a son of a gun

Wrigley field
A sunny day
I got my hat
I'm wearin' shades

It keeps me young
I'm having fun
Makes me feel like I did
When I was twenty-one

Makes me feel like I did
When I was twenty-one
