

Jesus Loves The Sinner

Buddy Guy

There's so much temptation
In the world today
The devil wants your soul
In the very worst way
So if you get caught
On Satan's hook
Read what's written down
In Gideon's book

Jesus loves the sinner
But he hates the sin
He'll lead you out of danger
If you trust in him
Change a born loser
To a born again winner
Jesus hates the sin
But he loves the sinner

Times get desperate
People do what they will
Turn their back on the cross
Out on the hill
They run into trouble
Wherever they go
I've been there my brother
And one thing I know

Jesus loves the sinner
But he hates the sin
He'll lead you out of danger
If you trust in him
Change a born loser
To a born again winner
Jesus hates the sin
But he loves, loves the sinner
