

Justifyin'

Buddy Guy

I know where you've been
Don't have to ask
You've been at it again
Out shaking your ass

I ain't saying you're lyin'
But you ain't just justifyin'

You're feeding me something
I won't ever eat
Your watermelon
Ain't got no seeds

What you're selling I ain't buyin'
Cause you just ain't justifyin'

Ooh ooh
Justifyin'
Yayayaya

They got the grain
They got the crude
So many still hungry
Ain't got no food

Lots of babies cryin'
Somebody justifyin'
Good people are dyin'
Somebody, somebody just ain't justifyin'

Somebody
Somebody keep on lyin'
Somebody, somebody ain't justifyin'
