

## King Bee

Buddy Guy

I'm a king bee  
Girl I can buzz around your hive  
I'm a king bee  
Girl I can buzz around your hive  
And I can buzz a little better baby  
If you just let me come inside

I'm a king bee  
Girl I want you to be my queen  
Yes, I'm a king bee  
Girl I want you to be my queen  
You know that we can make honey girl  
That the world has never seen

I'm a king bee  
And I can buzz all night long  
I'm a king bee  
Girl I can buzz all night long  
And I can buzz much better baby  
When your man is not at home
