

# Ninety Nine and One Half

Buddy Guy

I got to have all your love  
Night and day  
Not just a little part  
But all of your heart, sugar

Ninety-nine and a half just won't do  
Oh, no, no, just won't get it

Don't be led in the wrong direction  
To start this thing off right  
A man need a little love and affection  
Yes he do, now

Ninety-nine and a half just won't do  
Oh, no, no, just won't get it, all right

Lookin' here

We got to bring it all down  
Start gettin' it right  
We got to stop this messin' around  
And keep the thing up tight  
Yes we do, now

Ninety-nine and a half just won't do  
Oh, no, no, just won't get it, all right sugar

Got to have a hundred  
Well, got to have a hundred  
All right

Ooh, I must do, I must do  
I must do now

Oh! Got to have a hundred  
Yeah, got to have a hundred  
Oh! Got to have a hundred, too right  
Got to have a hundred, now, oh
