

# Now You're Gone

Buddy Guy

Now you're gone  
Now you're gone  
You hurt me bad  
I'm all too sad  
I didn't know  
I love you so  
Now you're gone  
Now you're gone.

Now you're gone  
You had a plan  
Another man  
Went off to hide  
I could have died  
(Now you're gone)  
Now you're gone  
(Now you're gone)  
Now you're gone

(Let's go to the bridge right here)

What should I do  
My world is blue  
It isn't true  
My life is through  
Now you're gone  
Now you gone

I want you back  
How do I act  
How do I make contact  
How do I get respect

Now you gone.

And I never loved nobody  
That's been mean to me  
I got a heart full of stone  
And I hate the misery  
And then you  
And then you  
And then you  
And then you came along  
You spoiled me with [?]  
And now you gone  
And now you, you gone
