

# Ooh Daddy

Buddy Guy

Dead of night, lights down low  
Me and my woman were back at home  
I was in the basement working down below  
[?] morning, she said I want to know

Ooh, daddy  
What you doing down there?  
Ooh, daddy  
Feeling good everywhere

Thunder crashing, wind it blow  
Something moving round the cellar door  
[?] underneath the ground  
Woman shaking, saying don't stop now

Ooh, daddy  
What you doing down there?  
Ooh, daddy  
Feeling good everywhere

Feeling good  
Oh!

Told the truth, didn't tell a lie  
I like to keep my woman [?] satisfied  
Keep on loving till [?] get weak  
She feel the thrill down to her feet

She said, ooh, daddy  
What you doing down there?  
Ooh, daddy  
Feeling good everywhere  
Oh...  
Feeling good, feeling good

[?] junior partners  
Said hey, feel...  
Feeling good right now  
So good  
Maybe wanna boogie  
Mama did  
Mama did too  
What you doing now baby
