

## Swamp Poker

Buddy Guy

Four pine poles dug in the ground  
40 feet deep is a long way down  
Out in the swamp with the gators and the crocs  
Got a table and chairs sitting up on the dock

Swamp poker  
Playing swamp poker  
Dealing swamp poker  
I go down to the river for some swamp poker

Fire flies dancing crawling king snakes  
Bullfrogs croaking getting half baked  
Filling up a pot full of poker chips  
Play another hand then we all take a dip

Playing swamp poker  
Playing swamp poker  
Dealing swamp poker  
Up all night playing swamp poker

5 card draw, 7 card stud  
Crawdaddy's creeping in the St. Johns mud  
Up on the dock where the foot bridge ends  
I've been sitting round the table with my alligator friends

Playing swamp poker  
Playing swamp poker  
Dealing swamp poker  
Yea, I'm out in the woods playing swamp poker

Playing swamp poker  
Playing swamp poker  
Yea, I'm out in the woods playing swamp poker

Howlin' at the moon  
Come down the river  
Up all night playing swamp poker  
Come on down here
