

## That's My Home

Buddy Guy

Got my extra Remy out on Highway 49  
Goin' back to Louisiana, and she can't change my mind  
Boys I got to go  
Where I put down my suitcase oh boys that's my home

My girlfriend done me dirty  
My best friend done me wrong  
I never knew my daddy  
And my mama she's long gone  
Oh boys I got to go  
Where I lay down this evening oh that's my home

That's my home  
That's my home  
Where I lay down this evening oh boys that's my home

My home is where is I'm standin' underneath the stars above  
The moonshine in the morning and light time funky love  
Oh boys oh boys I got to go  
My address keeps on changing oh boys that's my home

That's my home  
That's my home  
My address keeps on changing oh that's my home  
Where I lay down this evening oh boys that's my home  
Where I put down my guitar oh boys that's my home
