

There Is Something On Your Mind

Buddy Guy

There is something on your mind
By the way you look at me
There is something on your mind
By the way you look at me

Can what you're thinking bring happiness
Or will it bring me, huh just misery
No, no please don't try to tell me
I'll think I can understand
Oh, oh, ooh, ooh, ohohohohoh, don't try to tell me, baby
I'll think I will a understand

You want me to try and forgive you
But you can bet I'll do, I'll do, I'll do the, I'll do the best
that I can

If you ever think about me
If I ever cross you're mind
Oh, Lord, if you ever, if you ever, if you ever think about me
baby
If I ever cross your mind, yeah
I want you to know, I want you to know, ohohohohoh, yeah
That you, you, you , you are mine
