Watch Yourself

Buddy Guy

Pretty girl, you know it's a dirty shame
You let these homely girls come up and take your man
Pretty baby, everybody knows you are fine
Well these homely girls make many a man change his mind

Pretty girl, you better watch yourself
Before these homely girls will put you on the shelf
Pretty baby, you really look so good
But these a homely girls, they're wrecking this neighborhood

Pretty girl, well don't you play them cheap
These homely girls can treat a man so sweet
Pretty baby, this is the real McCoy
Well these homely girls will make many a man jump for joy

Pretty girl you better watch your man
Ah these a homely girls are just a raisin' sand
Pretty baby, these homely girls are smart
You know you can't tell the difference once you get 'em in the dark

Pretty baby
Homely baby
Wo you baby
Know just what to do

Pretty girl, you know it's a dirty shame
You let these homely girls come up and take your man
Pretty baby, everybody knows you are fine

Pretty girl, well don't you play them cheap
These homely girls can treat a man so sweet
Pretty baby, this is the real McCoy
Well these homely girls will make many a man jump for joy

Pretty baby
Homely Baby
Wo you baby
Know just what to do
