

Well Enough Alone

Buddy Guy

Better go back to where I'm from
It's an evil wicked thing that I've done
I know
I think I better go back home
I crossed a mojo hand
With a black cat bone
I should have left
Well enough alone

I mixed it up, I drank it down
I saw the devil rise up from the ground
I think I better go back home
I crossed a mojo hand
With a black cat bone
I should have left
Well enough alone

Might go to heaven, might go to hell
When I check out of this last hotel
I know
I think I better go back home
I crossed a mojo hand
With a black cat bone
I should have left
Well enough alone

Ain't gonna kill me, baby don't cry
Stuff makes a man too mean to die
I know
I think I better go back home
I crossed a mojo hand
With a black cat bone
I should have left
Well enough alone
