

Whiskey For Sale

Buddy Guy

I used to hit the packet every Saturday night
Grab a few bottles of treat her right
Liquor store ain't open on Sunday anywhere
Put a sign on my door, whiskey for sale

Whiskey (Good whiskey) Ooh yeah
Whiskey for sale
Whiskey (Say it now loud)
Whiskey for sale

Quarter for a sip, dollar for a shot
Penny for a sniff, whatever you got
Men go crazy just for a taste
Line down the block outside of my place (Ooh yeah)

Whiskey
Whiskey for sale (Oh, good whiskey)
Whiskey (86 proof)
Whiskey for sale (Muddy like the 101)
Whiskey (Whiskey, yeah)
(Whatever you want)

Ooh, I feel good right now!

Nowadays I'll give it away to anyone got a thirst
I'll pour all night, honey put away your purse
Take what you need, got a room full of booze
Open a bottle every night of 99 proof

Whiskey (Yeah)_
Whiskey for sale (Say it loud)
Whiskey (I got everything you need)
Whiskey for sale (I'm open all night)
Whiskey (Whiskey)
Good whiskey for sale (Step right up here now)
Whiskey (Whiskey, yeah)
Whiskey for sale (Just like a [?])

I'll be high
Don't I make you feel good now?
