

You Can Make It If You Try

Buddy Guy

You can make it if you try
You can make it if you just try
'Cause you're going to live on until you die
Wow, oh, you can make it if you try

Sometimes, you'll have to lie
Sometime, sometime, you may have to cry
But, oh, you can make it if you try, ohohoh
You can make it if you try
Oh, yes, you can

Now, if your old baby
Treat you wrong, listen
Don't run around
And just sing the blues
But, oh, you can never my friend, listen
Everybody can't win, listen
Don't you know somebody
Somebody got to lose

You can make it if you try
You can make it if you just try
Listen
You can make it if, if you try, ohh
You can make it if you try
Oh, yes, you can, haha
Yeah
Hahahaha
Haha huh huh
