

I Can't See My Feelings

Budgie

I can't see my feelings
Open my eyes
I can't see my feelings
Open a pair of eyes

I can't see my feelings
Keep them behind
I just keep on reeling
Running back down the line

I I I I I I I I
Oh oooh
A weight like a stone
Uuuuuuum um um um um, hey

Oh, I can't stand that screaming
Don't even try
Music fans some feelings
It'll be tell me why

Oh oh
Now now now

I can't stop that feeling
Showing me why
Man I love that feeling
Yeah, blowin' me right through the sky

Ah, Whew! Hey, hey, hey
Oh, oh

Oh hey hey hey hey hey hey
Oh, listen to what she says
If it's good, it's nice
