

# Higher

Budjerah

Keep taking me higher, higher  
Keep taking me higher, higher  
Keep taking me higher, higher  
Keep taking me higher, higher

Got both feet off the ground  
Head up in the clouds, head up in the clouds  
Can't tell where this heading now  
I ain't coming down, I ain't coming down, down

Floating through the sky, I find  
Clarity of mind  
Let's get caught up in the wind this time  
There's power found where freedom lies  
You always

Keep taking me higher, higher  
Keep taking me higher, higher  
Keep taking me higher, higher  
Keep taking me higher, higher

Got both feet off the ground  
Head up in the clouds, head up in the clouds  
Can't tell where this heading now  
I ain't coming down, I ain't coming down, down

Floating through the sky, I find  
Clarity of mind  
Let's get caught up in the wind this time  
There's power found where freedom lies  
You always

Keep taking me higher, higher  
Keep taking me higher, higher  
Keep taking me higher, higher  
Keep taking me higher, higher (Woah)  
Keep taking me higher, higher  
Keep taking me higher, higher  
Keep taking me higher, higher  
Keep taking me higher, higher (Ah)

Keep taking me higher (Keep taking me)  
Higher (Keep, keep taking me)  
Keep taking me higher (Higher)  
Higher (Higher)  
Keep taking me higher (Keep taking me)  
Higher (Keep, keep taking me)  
Keep taking me higher (Higher)  
Higher (Higher)
