

# Ready For The Sky

Budjerah

I get a feeling that I wanna escape  
I just wanna get out, but you tell me to stay  
I can't get my head 'round all that you say  
You point in one direction, but I just keep going my way

I'm aiming for the sky, please open your mind  
I need room to fly, cannot deny  
You won't ever clip these wings, not gonna walk over me  
I'll prove it over and over again  
I'm ready for the sky

(I'm ready)  
(I'm ready) Yeah, yeah  
(I'm ready)

Everybody just wanna be free  
The walls are closing in, barricades on the beach  
But it's not gonna hold me back  
I'm lighting up my fire, turning doubt into ash

I'm aiming for the sky, please open your mind  
I need room to fly, cannot deny  
You won't ever clip these wings, not gonna walk over me  
I'll prove it over and over again  
I'm ready for the sky

(I'm ready)  
(I'm ready) I'm ready, yeah  
(I'm ready)  
(I'm ready) I'm ready for the sky  
(I'm ready)  
(I'm ready) I'm ready  
(I'm ready)  
(I'm ready) I'm ready for the sky  
The sky  
I'm ready for the sky  
I'm ready for the sky  
Woah, yeah

I'm aiming for the sky, please open your mind  
I need room to fly, cannot deny  
You won't ever clip these wings, not gonna walk over me  
I'll prove it over and over again  
I'm ready for the sky, please open your mind  
I need room to fly, cannot deny  
You won't ever clip these wings, not gonna walk over me  
I'll prove it over and over again, yeah

I'm ready  
I'm ready  
(I'm ready) Hey  
(I'm ready)  
(I'm ready)  
I'm ready, yeah  
(I'm ready)  
(I'm ready) I'm, I'm ready for the sky
