

# Talk

Budjerah

You're always speaking  
But I never hear what you're saying  
Can you replay it?  
I'm in my feelings  
Am I miscommunicating?  
I hate this

Let's talk about love  
Let's talk about life  
Talk about change  
Talk about us  
Talk about fights  
Talk about things nobody does  
Oh, let's talk about love

I need the late night conversations  
To our daylight complications  
I need FaceTime, but it's not translating  
We just need to talk  
What's it all for if every time we talk  
We're just changing locks on all the doors?  
Maybe we should open up a little more

Let's talk about love  
Let's talk about life  
Talk about change  
Talk about us  
Talk about fights  
Talk about things nobody does  
Oh, let's talk about love, love  
Let's talk about love (Yeah)  
Let's talk about life  
Let's talk about change  
Let's talk about us (Talk about us)  
Let's talk about fights  
Let's talk about things that nobody does (Ooh)  
Mm, let's talk about love

You don't need  
(You don't need to try on all your words before you say them)  
To try on all your words before you say 'em (Oh-oh)  
You don't need  
(You don't need to think too much about all your phrases)  
To think too much about all your phrases  
Ooh, yeah

Let's talk about love  
Let's talk about life  
Let's talk about change  
Let's talk about us (Talk about us)  
Let's talk about fights  
Let's talk about things that nobody does  
Mm, let's talk about love  
Let's talk about love  
Let's talk about life  
Talk about change  
Talk about us

Let's talk about fights  
Talk about things nobody does  
Yeah, yeah, yeah, yeah  
Let's talk about love

Let's talk about love  
Let's talk about (Let's talk about, talk about)  
Talk about love (Let's talk about love, love)  
Talk about love (Love, love)  
Love (Let's talk about, let's talk about love)  
Ooh
