

What Should I Do?

Budjerah

We go to dinner
But no one listens when I speak
Everybody's talking
So I sit there by myself and eat
And then I leave

It's like no one cares about what's going on
Could it be that I've done something wrong? (Done something wrong)

What should I do? (What should I do?)
What would you do?
When you're all alone
In a crowded room
What should I do? (What should I do?)
What would you do?
When there's no one there
There to be true

All day I'm waiting
I sit beside my phone, me and me
Oh, someone to talk to
Someone to tell about my week (Oh-oh)

It's like no one cares about what's going on (What's going on)
Could it be that I've done something wrong? (Done something wrong)

What should I do? (What should I do?)
What would you do?
When you're all alone
In a crowded room
What should I do? (What should I do?)
What would you do?
When there's no one there (No one there)
There to be true

Show up to parties
Late nights, strobe light, passed
On the floor, I just came here for a good time (Came here for a good time)
But it's hard to conversate
When the lightweight chooses to ignore
What I might say
Need someone to confide in
Ask me how my day went (Ask me how my day went)
'Fore I sneak out of bathroom window
Alone again (Woah-oh)

What should I do? (What should I do?)
What would you do? (Hey)
When you're all alone
In a crowded room
What should I do? (What should I do?)
What would you do? (I do)
When there's no one there
There to be true
What should I do? (What should I do?)
What would you do?
When you're (Hey) all alone (All alone, oh)

In a crowded room (Oh)
What should I do? (What should I do?)
What would you do? (Oh-woah)
When there's no one there
There to be true
