## **Out of My Mind**

## **Buffalo Springfield**

Out of my mind And I just can't take it anymore Left behind By myself and what I'm living for All I hear are screams from outside the limousines That are taking me

Out of my mind Through the keyhole in an open door Happy to find That I don't know what I'm smiling for Tired of hanging on If you've missed me, I've just gone Cause they're taking me Out of my mind
