

## Bumble Bee

Buffalo Tom

When I come around  
The only one that knocks me down  
I've learned my ABCs  
Through everything you've done to me  
And now that night we've got to go  
My disappointments got to show  
Come on baby, come on home  
Will you be my Eskimo?

I've learned my ABCs  
I'm busy as a bee  
I'm counting 1, 2, 3  
I'm buzzing like a bumble bee  
But you can barely see  
Everything is fine by me  
I'm counting 1, 2, 3  
And spelling out my ABCs  
Now I know you've got to go  
My disappointments got to show  
Come on baby  
Come on home  
Be my little Eskimo

I've learned my ABCs  
I'm busy as a bee  
I'm counting 1, 2, 3  
I'm buzzing like a bumble bee

I'm busy (I'm busy)  
I'm busy (I'm busy)  
I'm busy (I'm busy)
