

Love ain't no diamond ring
It makes you cry, it makes you sing
It cuts you upside down
Scars your knees and makes you frown

I don't want to be a big cat-and-mouse
Don't want to be a big cat-and-mouse
Don't want to be a big cat-and-mouse
Cat-and-mouse
Cat-and-mouse

Love ain't no perfume shame
That stings your eyes and makes you hate
[?] kitchen sink
Where someone paid her little [?]

I don't want to be a big cat-and-mouse
Don't want to be a big cat-and-mouse
Don't want to be a big cat-and-mouse
Cat-and-mouse
Cat-and-mouse

Love ain't no prison break
Love ain't no modernly
Love ain't no cut up tree

Well, I'm only tellin' lies
What comes once, you better ensure I

I don't want to be a big cat-and-mouse
Don't want to be a big cat-and-mouse
Don't want to be a big cat-and-mouse
Cat-and-mouse
Cat-and-mouse
